

PRESS RELEASE

Your Holiday Home on the Beach within a Mouse Click's Reach

Rotterdam, 07-03-2011. Beach House Travel launches its online platform offering a vast and diverse range of stunning accommodations on the European coast and along inland waters. The site www.beachhouse.eu is a one-stop shop for holiday homes, apartments, villas and cottages - guaranteed close to water!

Fulfilling the true holiday experience with dream-like sea views along the European coast line, or natural enjoyment along inland waters. From Denmark to Spain, from the U.K. to Croatia, Beach House Travel offers a complete range of luxurious holiday apartments to family-friendly holiday homes at some of the most spectacular locations that Europe has to offer.

What makes Beach House Travel unique is the true portal for coastal and waterside holiday homes in Europe. Travellers book via Beachhouse.eu because of their desire to spend a well-deserved vacation close to water; homeowners present their homes via Beachhouse.eu, knowing that their houses will be profiled prominently and offered at a website dedicated to beach houses only. The perfect match through a single platform!

About 60,000 beach houses and apartments are available via a single click at www.beachhouse.eu. These holiday homes are located between 10m and 5km from the water, they come in various price ranges, for a flexible stay, matched at the specific wishes of the customer.

For more information or to make reservations of a holiday home, please visit www.beachhouse.eu or contact Beach House Travel at +31 (0)10 2250268.
